Film Tax Incentive

Shoot in Lithuania. Save up to 30% of your Lithuanian production budget.

HOW DOES IT WORK?

The incentive is available for feature films, TV films, documentaries and animated films. The scheme involves a foreign production company, a Lithuanian production company, a local business company providing financial support for the production and the Lithuanian Film Centre that administers the scheme. The foreign production company can save up to 30% of its Lithuanian production costs while the local business is motivated to invest into film production by a profit tax break.

CULTURAL CONTENT CRITERIA

The film cannot be pornographic, incite violence or hatred. And it has to meet at least two of the following criteria:

- the script is based on events that are part of Lithuanian or European culture, history, mythology, religion;
- the film reflects events of Lithuanian or European social life or politics;
- the film tells about a well-known figure related to Lithuanian or European culture, history, religion or society or a mythological character;
- the script is based on a culturally significant work of Lithuanian or European literature;
- the film builds on important Lithuanian or European values: diversity of cultures and religions, human rights and civic awareness, democracy and solidarity, minority rights and tolerance, respect for cultural and family traditions;
- the film focuses on issues of Lithuanian or European identity;
- the film is set in Lithuania or Europe.

PRODUCTION CRITERIA

The film has to meet all of the following production criteria:

- Minimum spend has to be € 43,000;
- At least three days of shooting take place in Lithuania in the course of the production (except for animation projects);
- At least 80% of Lithuanian production costs must be incurred in Lithuania;
- At least 51% of the crew hired by the Lithuanian production company are citizens of Lithuania or citizens of other European Economic Area (EEA) countries.
- At least 20% of an animated film's production costs in Lithuania must be incurred for producing two of the elements listed below:
 - shooting (if it is required by the script);
 - characters and backgrounds design;
 - layouts and/or storyboards;
 - visual effects;
